### NAMI Connection Recovery Support Groups are:

- a confidential support group for adults concerned about their mental health
- 90-minutes long and free of charge to participants.
- led by trained facilitators living with mental illness who are at a point in recovery that they want to give back to the community.
- a safe environment for you to express yourself without being judged.
- a proven avenue to recovery
- inclusive - anyone welcome, regardless of diagnosis.

### What are the goals of NAMI Connection support groups?

- Provide a sense of community and hope throughout recovery.
- Encourage, support and empower people.
- Provide confidential support free of charge.
- Support any adult who is concerned about their mental health
