

Thinking About Utilities

If possible, research these options before you move in and arrange to have them set up before or shortly after your move-in date.

Questions to Ask My Landlord About Utilities

What type of heat utility will I have - gas, oil, or electric? _____

What type of cooking utility will I have - gas, oil, or electric? _____

What utilities are covered in my rent? _____

What utilities will I have to pay for? _____

Utility Planning

utility	who pays for this?	do I want or need this?	what companies can provide this?	is there a discount?	when will set up happen?	notes
gas						
oil						
electric						
hot water						
home phone						
cell phone						
cable						
internet
