Housing Accommodations and Modifications

You can use this handout to think about your need for accommodations or modifications during the housing search process or when you've found housing. It can also help you keep track of your accommodation or modification requests.

Thinking About My Need for Accommodations or Modifications for Getting Housing

My disability:	
My disability:	
now my disability impacts my getting housing	lg:
What accommodations or modifications I cal	n request to help with this:
Who I need to request this from (landlord, ho	ousing authority, etc.):
Who can help me (doctor or provider):	
Accommodation or modification I requested:	
Who I requested it from:	
	How I requested it:
Notes and next steps:	
	ons or Modifications for Keeping Housing
