2ND ACT'S ANNUAL ENCORE: CELEBRATE ARTISTS IN RECOVERY

On TUESDAY, May 21st , 7:00 PM at The Huntington Theatre, 264 Huntington Avenue, Boston MA, 02115 in the Maso Studio, 2nd Act will host their Annual Encore: *Celebrate Artists in Recovery*; a culmination of all the work 2nd Act's Artists in Recovery have produced this past year to educate youth about substance use and recovery, as well as aid those working on the frontlines of the opioid epidemic. The evening will showcase each of 2nd Act's programs through storytelling and live presentations, and outgoing Executive Director, Ana Bess Moyer Bell, will receive the annual William Hope Huntley Award in recognition for her years of leadership and impact on the recovery community.

2nd Act (formerly Improbable Players and Creating Outreach About Addiction Support Together - a.k.a. C.O.A.A.S.T.) is a local nonprofit organization made up of a collective of artists in recovery. They use theatre, film, and drama therapy to address the impact of substance use. For 40 years they have been creating and producing original plays about Substance Use Disorder (SUD) and have performed for more than 1 million people. 2nd Act's performances are based on true stories using playwrights, actors, and directors with lived experience of SUD and help audiences recognize the impact SUD has on their lives, seek support and breakdown stigma.
